About Dynamic Labs

Dynamic Labs is the fastest growing manufacturer and wholesale distributor in the optometric industry. We would like to be your one stop supplier for all of your optical supply needs.

We are the manufacturer of SecurEdge™, Big Red™ and Ultra Blue™ & Ultra White™ Blocking pads. Our line of lab supplies is constantly evolving to meet the needs of an ever-changing optical market.

Our line of dispensing supplies includes Purity Lens Cleaners™ and cloths. We manufacture the HD Silicone Nosepads™, the longest lasting nose pads available and the most resistant to the facial oils that cause pad discoloration. We carry everything from screws through cases for your optical dispensary.

Let us be your one stop source for all your optical needs.

We offer a 100% NO RISK GUARANTEE. This means that you have a full 30 days to try our products. If you are not completely satisfied you can return the product for a full refund or exchange.

To help simplify your ordering we are certified vendors for most buying groups.

We look forward to doing business with you.
